LETTER FROM THE PRESIDENT

STRAKE JESUIT

College Preparatory
Office of the President

Dear Graduates of 1983,

This Yearbook serves as a reminder of your Senior year as a Strake Jesuit student. As it evokes thoughts and memories of your final year as a Crusader you will become aware that a particular phase of your education, growth, and development has come to an end. You have shared many experiences with your fellow students, faculty, staff, and administrators, experiences which have contributed to and enriched your life. You also have given of yourself and in doing so have enriched the lives of us all. It is a mutual effort which contributes to each of us as individuals and at the same time builds the Community of Strake Jesuit. Each of you is sincerely thanked for the contribution you have made.

Certainly, graduation marks the end of your career as a student at Strake Jesuit; but it also celebrates your accomplishments and achievements, some of which are presented in this Yearbook. I congratulate you and encourage you to continue the full development of yourselves as Christian young men who have a special task in our world. Your experiences at Strake Jesuit have provided you with a basis to go forward and to be witnesses of Christ, witnesses who are to be heralds to our world of the love Christ proclaimed when he said... "By this shall all men know that you are my disciples, that you have love for one another."

Therefore, your future is in one sense a continuation of what has gone before, but it will carry with it new challenges and opportunities, new problems and solutions, new goals and achievements. We, at Strake Jesuit are confident that your future is bright with promise because you have already done so much to demonstrate your unique ability and talent.

We thank you, we congratulate you, your Alma Mater is proud of you. We pray that our Lord will continue to bless you in all you do.

Sincerely,

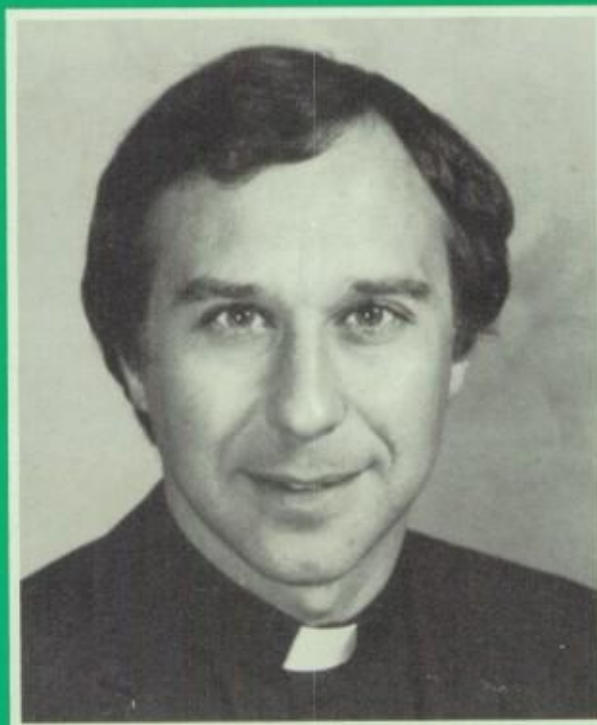

Edgar A. Maresma, S.J.

LETTER FROM THE PRINCIPAL

STRAKE JESUIT

College Preparatory
Office of the Principal

Dear Crusaders:

As each of us looks back, perhaps many years hence, through the pages of this book, we will remember many forgotten moments, retell countless funny stories, and renew numerous old friendships. The purpose of the Crusader yearbook is to capture the spirit, the people, and the events of this school year in a way that helps us bring them back vividly into our minds and hearts. But this remembrance of our history should not be purely nostalgic. It is not simply the recall of things and people gone by, of a past that is dead and barren.

To be a Crusader is to be committed to life and to one's faith. To be a Crusader is to live out a vision--a vision of oneself and the world which is positive, dynamic, and other-centered. The Crusader moves forward undaunted in his quest for a holy land reached only by the realization of the kingdom of Christ upon this earth.

I believe that is important for each of us to appreciate how much we owe to one another. Our own life, our own faith, and our own vision have been greatly influenced by the experiences and the persons that make up the Strake Jesuit community. So instead of just nostalgia as we explore our past, we rediscover our own vital roots, the sources of what and who we are today. Every friend that we have made, every laugh and tear that we have shared, and every moment we have spent in work and play--all of these have contributed to our growth and to the formation of the persons that each of us is called by God to be.

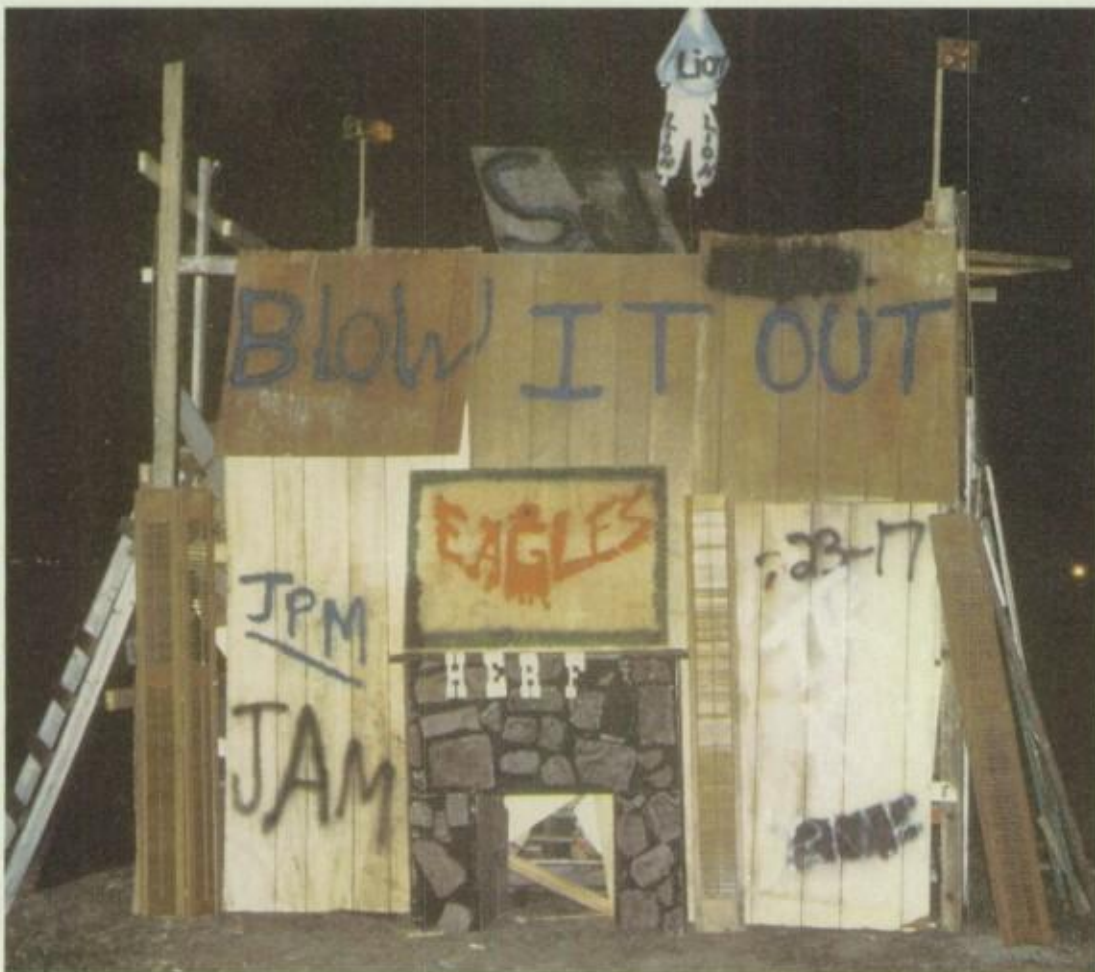

This year has been a really special one, and I would like to thank each one of you for your contribution in making it so. I ask God's blessing on our community--especially on the members of the Class of '83 as they move on to the next phase of their lives. Sic Deus vult!

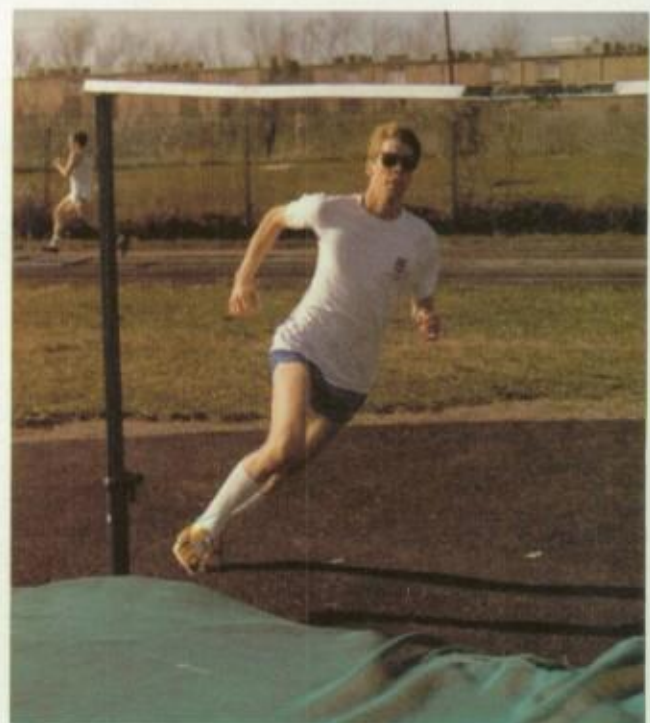

Sincerely yours,

Vincent A. Orlando, sj

Homecoming '83

Homecoming '82, held the week of October 11, was an enjoyable experience for all. From the senior-faculty volleyball game to the climactic dance, the week turned out to be an exciting and action-packed one. Field Day activities, the game against Spring, the crowning of Melanie Strake as the queen, and the dance Saturday night in the gym were the high points of the week. So we lost the game — two out of three ain't bad!

Regard Thy Body as a Temple

On October 15, the third annual Field Day was held. Once again, the weather was great. The day started out with a mass in the stadium and ended with a full-scale clean-up. For the second straight year, the seniors ran away with the victory by a large margin. The sophomores edged out the juniors, and the freshmen fell flat on their faces.

FANTASY AUCTION

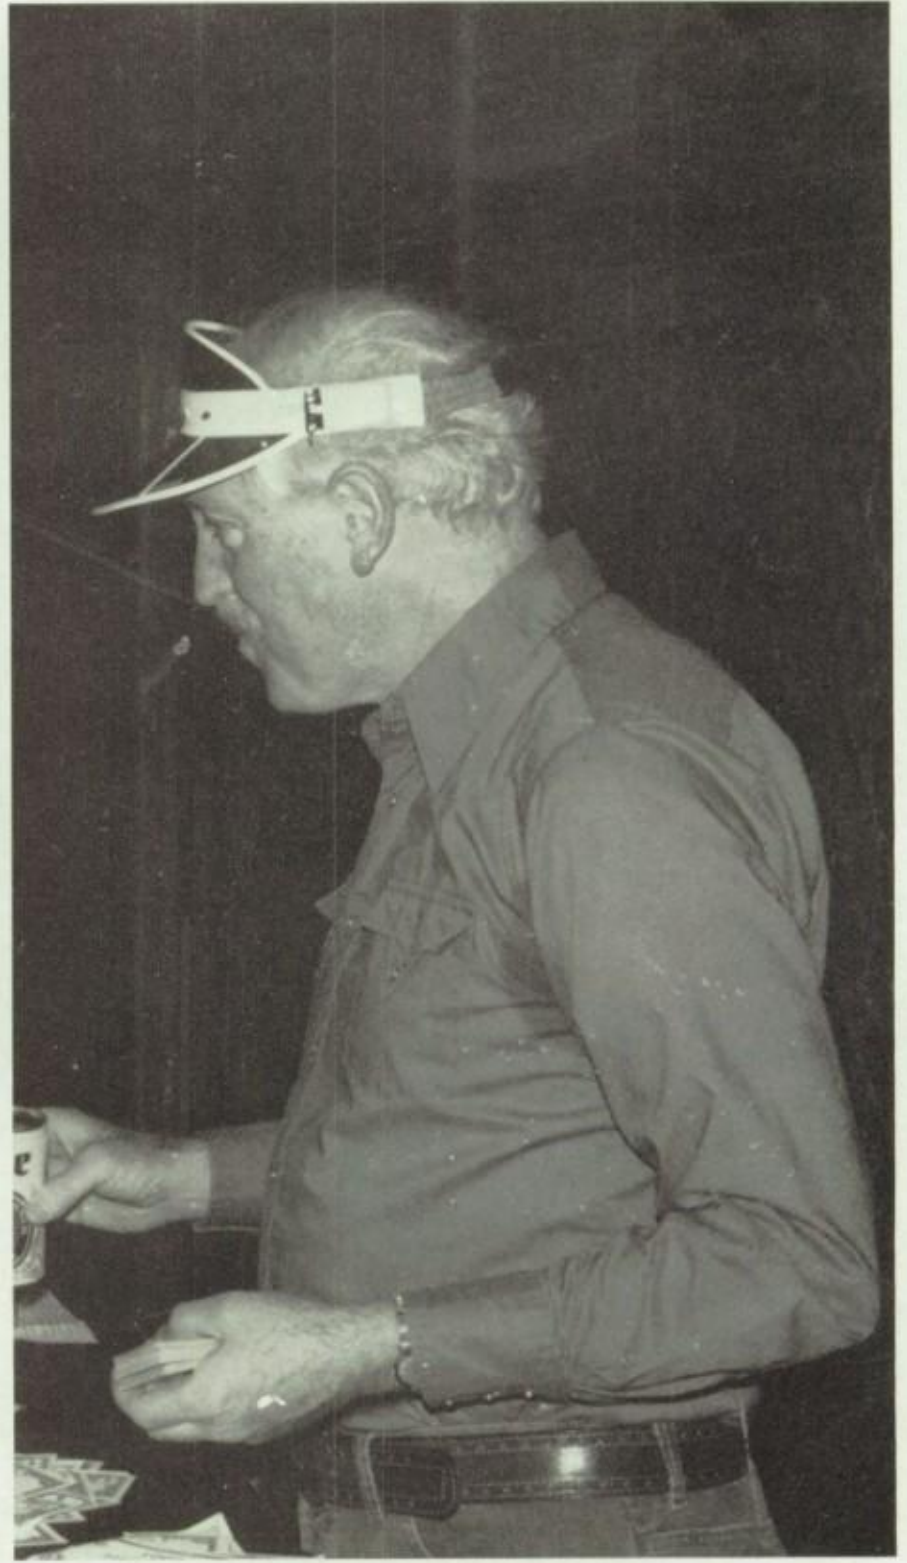

This year's Fantasy Auction, held on February 5th, used the theme "Crusaders Go to the Academy Awards." The auction, chaired by Mary Ann Burke, brought in over \$94,000, about \$32,000 higher than last year. This money will be used for the construction of the new Theatre/Classroom building under construction on the west side of the campus. Jesuit thanks all of the guests and workers who helped make Fantasy Auction '83 a very big success.

Will You Finish Your Next Triathlon?

Not being able to finish because of a bicycle component failure is totally unacceptable and frustrating to today's triathlete.

"In order to win the race you must finish the race." This is a philosophy and a way of life at Campagnolo. A commitment that goes into every Campagnolo component. Components that are race proven by professional cyclists who entrust personal success to quality, performance and dependability.

Every year, for the past 50 years, Campagnolo equipped bicycles have won more cycling competitions than any other component manufacturer in the world — including the iron-man triathlons.
